

Chpt. 5 Exercises Part 2

I. Identify the notated triads by root name and quality.

II. Given the root name and quality, correctly notate the following triads.

Bass clef staff with five vertical bar lines for notation practice. Below the staff, the following triads are listed:

- C augmented
- A major
- C minor
- G minor
- D major

Treble clef staff with five vertical bar lines for notation practice. Below the staff, the following triads are listed:

- D_b major
- G augmented
- F minor
- A_b major
- F_# major

Bass clef staff with five vertical bar lines for notation practice. Below the staff, the following triads are listed:

- A_b minor
- F_# minor
- G_# diminished
- E_b minor
- B_# augmented

Treble clef staff with five vertical bar lines for notation practice. Below the staff, the following triads are listed:

- B major
- C major
- G_# minor
- C_# major
- A minor

Bass clef staff with five vertical bar lines for notation practice. Below the staff, the following triads are listed:

- A_b diminished
- B diminished
- G_# major
- B_# minor
- E major

III. Notate triad in root position when given the root pitch and the quality.

The image shows five staves of music notation, each consisting of five horizontal lines. The first staff uses a treble clef, the second a bass clef, and the third a bass clef. The fourth and fifth staves use a treble clef. Each staff contains five vertical bar lines divided into two measures by a double bar line. Below each staff, five musical notes are labeled with their corresponding qualities:

- Staff 1 (Treble): Major, Diminished, Minor, Augmented, Minor
- Staff 2 (Bass): Augmented, Minor, Augmented, Diminished, Major
- Staff 3 (Bass): Major, Diminished, Major, Augmented, Minor
- Staff 4 (Treble): Diminished, Augmented, Major, Minor, Minor
- Staff 5 (Treble): Major, Minor, Diminished, Augmented, Major

IV. Given the root, third, or fifth of the triad and the quality, notate the correct triad on the staff.

The image shows five staves of music notation, each consisting of five horizontal lines. The first staff uses a bass clef, the second a treble clef, and the third a bass clef. The fourth and fifth staves use a treble clef. Each staff contains five vertical bar lines divided into two measures by a double bar line. Below each staff, five notes are provided, and the student is asked to identify the correct triad quality (Major, Minor, Augmented, or Diminished) for each note:

- Staff 1 (Bass): 5th, 3rd, 5th, root, 5th
- Staff 2 (Treble): Minor, Diminished, Augmented, Major, Major
- Staff 3 (Bass): 3rd, 3rd, root, 5th, root
- Staff 4 (Treble): Augmented, Minor, Augmented, Minor, Major
- Staff 5 (Bass): 3rd, root, 5th, 3rd, 3rd
- Staff 6 (Treble): Minor, Diminished, Diminished, Augmented, Major
- Staff 7 (Bass): root, 5th, root, root, 5th
- Staff 8 (Treble): Major, Diminished, Augmented, Diminished, Minor
- Staff 9 (Bass): 5th, root, 3rd, 3rd, 5th
- Staff 10 (Treble): Major, Augmented, Diminished, Minor, Major

V. Identify the notated triads by root name, quality, and correct inversion.

VI. Notate triads when given the root, quality, position, and inversion.

root position closed position	2nd inversion open position	1st inversion open position	root position closed position	root position open position
D♭ major	F minor	G♯ diminished	C augmented	F♯ major
1st inversion closed position	root position open position	root position closed position	1st inversion closed position	1st inversion open position
E♭ diminished	E major	F minor	E♭ diminished	C♯ augmented
1st inversion closed position	root position closed position	root position open position	root position closed position	1st inversion open position
C♯ minor	D♭ minor	C major	B♭ augmented	A diminished

Analysis

Study the following piece composed in the early part of the 1600s. After following along in the score while listening to the excerpt, answer the questions that follow each example.

Francesca Caccini, "Maria, dolce Maria" from *Il Primo Libro*, Mm. 1-17

Mm. 1-6:

Ma - ria, dol - ce Ma-ri - a, no - me so - a - ve tan-to

Mm. 7:

che - a pro-nun - ciar ti im - pa - ra di sil co - re No - me

Mm. 12:

sa - cra - to, _ e san - to chel cor m'in - fiam - mi di ce - les - te_a - mor - e

1. Considering only the keyboard accompaniment, provide the root, quality, and inversion of the chords below the staff (e.g., Cm 1st inversion).
2. Now, while you listen again to the recording, circle any notes in the voice part that do not fit into the triads below.

3. Discuss how the voice part does or does not fit together with the keyboard accompaniment.
How would this piece be different without any of the circled notes?
